NEWSLETTER TO OUR SUPPORTERS

November 2009

VOL. #1 ISSUE #6

Dear Supporters,

Hope everyone is doing well! Lots of amazing things happening this quarter!

Yu-Lin, China. The entire Board of Directors will be taking their first group trip to Yu-Lin this winter (December 28 – January 1). We are all extremely excited and a “rough” itinerary will be posted on our website soon. We will also be blogging about what we are doing throughout the trip, so definitely check us out on the GivingBackLife site! In addition to all that,

we have a few exciting projects leading up to this trip (see below):

Suitcase Project. At the orphanage that we have been visiting, we will be setting up a simple pharmacy to meet the basic needs of the children and staff. We will fill a suitcase full of medicines and supplies prior to leaving for China. While there, we will also establish a medical-consult system between the orphanage and Daniel Lui for any future medical questions/concerns that may arise.

Project PenPal. Two wonderful girls (ages 9 and 11) started this up on their own, asking their classmates to submit letters and pictures to the kids of the Yu-Lin orphanage! The teachers, kids and we are all so pumped about this project! We hope the orphans and staff in China will be blessed!

Project Prayer. We have decided to dedicate a significant amount of time [prior to the trip] lifting the orphans up in prayer. We have partnered with the amazing students of Ohio State University’s InterVarsity Christian Fellowship in this huge endeavor. Their whole-hearted willingness to pray for all these children truly touched our hearts! Thank you guys!

Gifts. We truly appreciate ALL those that have donated prayerfully and financially so far to Dan and Alberta’s China trip! Our current fundraising total is at \$450 raised out of the needed \$3,250; however, we know the Lord will provide...He always has!

Feel free to also support GivingBackLife through our online store, where we still have t-shirts of all sizes!

We appreciate your support and partnering with us as we help change the world together, a bit at a time.

Always looking up,
GivingBackLife team
