

Dear GBL family,

Thank you for your continued support, as it is truly a great encouragement. A new quarter is here and we have some news we wanted to share! In our last newsletter we mentioned the two, **much-needed, bicycles** we were able to give to the Yu-Lin Orphanage. Well, it turns out; with your financial gifts they were able to afford 3 brand new bicycles!

Here are a few photos from our friends from Yu-Lin

Our next trip coming up in March is to the **Home of Hope Orphanage, in Gong-Yi, China**. We are super excited to get the opportunity to learn from Nathan, the director there, who has now opened up 4 separate faith-based orphanages in China in a span of 10 years. Nathan and Shannon Bell, an American couple, who had a huge heart for the children in China, are inviting us to learn from them and to see what a day is like in the running of an orphanage.

As you know, GivingBackLife is working to get our **501c3 (non-profit) status**. We have found a lawyer that is guiding us through the necessary steps, but there have been many obstacles along the way and the process has taken much longer than we had anticipated. Another obstacle GivingBackLife is currently struggling with is funding. Would you please continue to lift us up in prayer?

Lastly, GivingBackLife would like to introduce **two more new members!** Paul Auclair is our new treasurer and Lily Hsu will serve as our new secretary. They are both amazing people, dedicated to the Lord's vision, and we hope to share more about them very soon...stay posted!

Again, we appreciate your support and partnering with us as we help change the world together, a bit at a time.

Always looking up,

GivingBackLife team
